Membership Criterion

EVAWQ is not a network of networks, it is a peak body comprised of members representing their own service, or members joining as independent Individuals. It is a criteria of membership that the service representative be female and a decision maker in their service.

Why you should become a member of EVAWQ

EVAWQ is the first peak in Australia to collectively represent sexual violence, women's health and domestic & family violence services.

Being a member of EVAWQ will:

- ✓ Ensure that your service is kept up to date on issues affecting the violence against women sector;
- ✓ Provide a conduit for the distribution of information relevant to your organisation/sector through the secretariat (relevant to the work of EVAWQ);
- ✓ Attendance at the annual face to face meeting of violence against women services; and
- ✓ A collective voice to advocate for policy changes.
